STRENGTHENING INDIA–ISRAEL DEFENSE COLLABORATION
RRP DEFENSE LTD × ESC BAZ

RRP Defense Ltd has marked a significant milestone in its international defense collaborations with ESC BAZ, Israel, through the signing of a Memorandum of Understanding (MoU) and the launch of ESC BAZ's DIAMOND observation system in India.

Under the MoU, **RRP Defense Ltd** has been granted exclusive rights for the **DIAMOND** observation system in India, positioning RRP Defense as a key channel for **ESC BAZ's** engagement with the Indian defense ecosystem.

Introducing DIAMOND

The **DIAMOND** observation system is designed to support advanced observation and situational-awareness requirements. The system combines high-performance imaging, intelligent sensing and AI-powered processing to support detection, observation and decision-making in demanding operational environments.

Its capabilities are aimed at enhancing situational awareness and providing users with advanced observation support across relevant defense and security applications.

The collaboration also reflects the growing importance of technology partnerships between Indian and international defense companies, supporting the development and integration of advanced solutions for evolving operational requirements.

JANMASHTAMI CELEBRATION AT RRP ELECTRONICS LTD

RRP Electronics Ltd celebrated **Janmashtami** with enthusiasm, bringing employees together for a festive occasion filled with devotion, creativity, fun, and team spirit.

The celebration featured a traditional Janmashtami pooja, followed by festive activities that brought the team together. Employees also took part in matka decoration, showcasing their creativity and adding a vibrant festive touch to the workplace. The beautifully decorated matkas became one of the highlights of the celebration.

A series of other fun games added excitement to the event. Employees actively participated in the activities, enjoying friendly competition, laughter, and moments of interaction beyond their regular work environment.

JANMASHTAMI CELEBRATION AT RRP S4E INNOVATION LTD

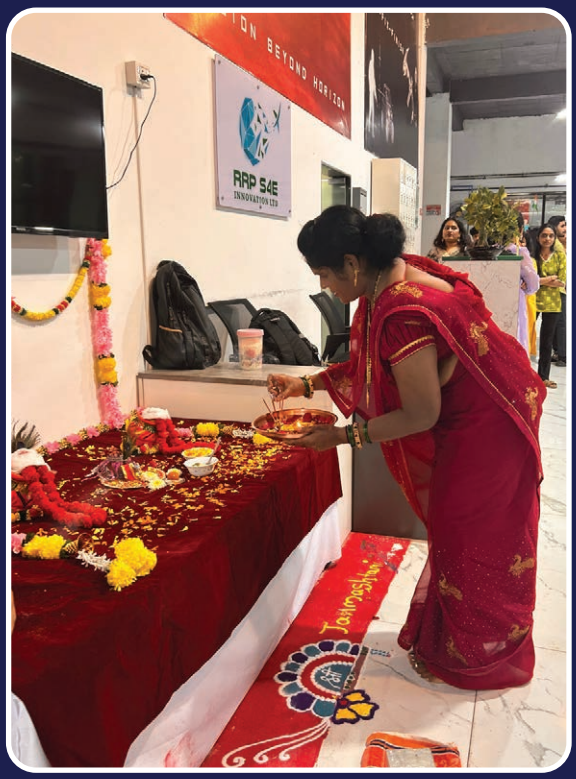

RRP S4E innovation Ltd. celebrated **Janmashtami** with devotion and enthusiasm, bringing employees together to mark the auspicious occasion and celebrate the birth of Lord Krishna.

The celebration included a **Janmashtami pooja,** providing an opportunity for employees to come together in prayer and observe the festival in a spirit of faith and togetherness. Janmashtami is celebrated across India in honour of the birth of Lord Krishna, with prayers and devotional observances forming an important part of the festivities.

GANESH CHATURTHI CELEBRATION AT RRP ELECTRONICS LTD

RRP Electronics Ltd. celebrated Ganesh Chaturthi with devotion, enthusiasm, and a strong spirit of togetherness. The celebration brought employees together to observe the festival and share a meaningful moment beyond the workplace.

The occasion was marked by a Ganesh Chaturthi pooja, with employees coming together to seek blessings and celebrate the auspicious festival. The festive atmosphere was further enhanced as employees embraced the occasion by dressing in traditional attire, adding a vibrant cultural touch to the celebration.

The gathering provided an opportunity for colleagues to come together, participate in the festivities, and celebrate the values of tradition and togetherness. Ganesh Chaturthi is widely celebrated as a festival associated with devotion, new beginnings, and the removal of obstacles.

GANESH CHATURTHI CELEBRATION AT RRP S4E INNOVATION LTD

RRP S4E Innovation Ltd. celebrated **Ganesh Chaturthi** with devotion and enthusiasm, bringing employees together to mark the festive occasion in a spirit of unity and togetherness. The celebration included a **Ganesh Chaturthi pooja,** giving employees an opportunity to come together and participate in the festive observance. Employees also embraced the occasion by wearing **traditional attire,** creating a vibrant and celebratory atmosphere across the workplace.

RRP PREMIERE LEAGUE 2026

Bringing the RRP Community Together Through Cricket

On **25–26 September 2026**, employees of **RRP Electronics Ltd.** and **RRP Defense Ltd.** came together for the **RRP Premiere League 2026,** a two-day cricket tournament featuring participation across men's and women's teams. **The tournament brought 12 teams onto the field eight men's team and four women's team** for a series of matches leading to the championship finals.

With colleagues representing different teams and departments, **RRPPL** provided a shared platform to participate in t**he game, engage in friendly competition, and enjoy the excitement of a sporting event.**

RRP DEFENSE LTD OUR CHAIRMAN ENGAGES WITH WION'S DEFENCE PULSE

Exploring Emerging Trends in Defence Technology, Drones & Electro-Optical Systems **Mr. Rajendra Chodankar, Founder & Chairman of RRP Group**, gave an interview with **WION's Defence Pulse Show,** discussing developments in defence technology and the evolving role of advanced systems in India's defence and security landscape.

The interaction highlighted the growing significance of drone technologies, and **electro-optical capabilities in modern defence applications.** These technologies are becoming increasingly relevant to operational awareness, surveillance, and the development of advanced defence solutions.

Advancing Capabilities in Defence Technology the discussion addressed the expanding role of drones and electro-optical systems in contemporary defence operations, reflecting the continued evolution of technology-driven capabilities.

RRP GROUP CHAIRMAN HIGHLIGHTS INDIA'S DEFENCE & DEEP-TECH VISION AT REPUBLIC SUMMIT MUMBAI 2026

Mr. Rajendra Chodankar, Chairman RRP Group of Companies, participated in the Republic Summit Mumbai 2026, joining policymakers, business leaders, industry experts, and other distinguished participants to discuss key developments shaping India's future. Held on **29 September 2026** at the Trident Hotel, Nariman Point, Mumbai, the summit carried the theme **"A Stronger Maharashtra, A Brighter India."** Bringing together perspectives from politics, business, technology, and industry, the event provided a platform for discussions on India's development priorities and emerging opportunities across strategic sectors.

Mr. Chodankar was featured as a speaker in a session titled **"From Defence to Deep Tech,"** as listed in the official Republic Summit agenda. From Defence to Deep Tech the session focused on the role of advanced technologies in strengthening India's defence capabilities and supporting its ambition to become a leading force in defence innovation. Discussions centred on the importance of developing indigenous technologies, building domestic expertise, and strengthening India's strategic technology ecosystem.

CREDITS

As we conclude this edition of our newsletter, we would like to take a moment to express our sincere gratitude to everyone who contributed to making it possible. This publication reflects the collective efforts, insights, and dedication of individuals across the organization who shared their time, updates, and achievements.

We extend our heartfelt appreciation to our leadership team for their continued guidance and vision. Their leadership and encouragement continue to shape the organization's growth and inspire our journey forward.

Our sincere thanks also go to the teams across **RRP Electronics Ltd.** and **RRP Defense Ltd.** whose cooperation and contributions helped bring together the stories, milestones, and updates featured in this edition.

This newsletter represents the shared progress of our organization, and we appreciate the support of everyone who contributed directly or indirectly. We look forward to sharing many more milestones and achievements in the editions to come as we continue building the future together.
